

Specialty drugs and devices are frequently used to treat complex medical conditions. These products generally require close monitoring, complex handling, and often require education regarding administration. In order to ensure our members are receiving the support they need to successfully manage their conditions; we have partnered with Navitus Health Solutions to provide these medications through the Specialty Drug Program.

Use of the Specialty Drug Program is mandated for our Commercial members when medication will be self-administered by the member at home. For physician-injected medications, the use of the Specialty Pharmacy Drug Program is not mandatory if the physician elects to buy and bill the medication, unless it is included in Geisinger Health Plan's Medical Benefit Drug Optimization Program. Medicare Part D members are not mandated to use the Specialty Drug Program, but they may elect to do so. Medicare Part D members are not limited to specific specialty pharmacies, unless the manufacturer limits access to a medication through a specialty pharmacy. Medicare eligible Part B medications which are not bought and billed by a physician are not eligible for Part B coverage.

For formulary information for self-administered medications, please visit and select the appropriate formulary: [Geisinger.org/health-plan/find/covered-drug-pharmacy](http://Geisinger.org/health-plan/find/covered-drug-pharmacy)

If a prior authorization is required, contact the Pharmacy Department.

Phone: 800-988-4861

Fax: 570-300-2122

For formulary information for physician-injected medications, please visit: [Geisinger.org/health-plan/providers/ghp-clinical-policies/medical-benefit-pharmaceutical-policies](http://Geisinger.org/health-plan/providers/ghp-clinical-policies/medical-benefit-pharmaceutical-policies)

If a prior authorization is required, contact the Pharmacy Department.

Phone: 800-498-9731 for Medicare Part D members; 800-447-4000 for Commercial members

Fax: 570-214-0221

Note that all specialty vendor drugs have a maximum of a one month supply per dispense unless otherwise noted. (\*maximum day supply exceeds one month)

*For Northern Light:* For Northern Light, Geisinger Health Plan manages pharmacy benefit (member-injected) drugs only, medical benefit (physician-injected) drugs are not available through the specialty vendor program.

**The following medications are included in Geisinger Health Plan Specialty Pharmacy Drug Program:**
